

26th November @ Rogershill Raceway

EVENT CANCELLED

As a result of the torrential rain we've had over the past week, and the forecast of much much more to come this week, we have reluctantly decided to cancel the event scheduled for the 26th at 'Rogershill Raceway'.

We apologise for any disappointment, but hope you'll understand that given the conditions, the damage caused by an event of this size is likely to be substantial and quite unreasonable. Cheques for this event have not been cashed and are being returned to entrants along with the official notification of cancellation.

There is a little good news too... Our next event is on the 10th December at 'Inside Park'. Last years course was superb, this years will even better. The course is very similar, but now incorporates another 2 miles or so of those fantastic woodland tracks. So let's keep everything crossed that things improve for then!

Hope to see you there
